

Supercharge Your Payments with Tonic

Combine Tonic's innovative POS with our secure payment processing for an unmatched experience. The strength of our dynamic, custom-built payments ecosystem is that it streamlines work-flows and effectively manages all critical aspects of running a business – from a single source.

One-Stop Solution

Tonic offers a unified, easy-to-use platform for POS and payments, managed by your local POS expert.

Mobile Payments

Seamlessly accept mobile payments via wifi and mobile networks.

Robust Security

With PCI-compliant measures, we safeguard customer data, so you can focus on your business.

Effortless Reconciliation

Eliminate guesswork in sales and deposit reconciliations.

Next-Day Funding & More

Accept all major cards through click to pay invoices or online payments, and enjoy next-day funds.
