tonic.

Unlock Hassle-Free Scheduling & Timekeeping with Tonic

Streamline Operations. Boost Productivity. Rest Easy.

Verified Timekeeping

Employees receive a printed receipt upon clocking in or out, eliminating disputes.

Real-Time Wages

Monitor labor costs live, including for salaried employees.

Overtime Alerts

Receive proactive alerts to manage extensive work hours.

Easy Time Adjust

Make real-time adjustments at both the POS and the back office.

Labor Metrics

Access labor-to-sales ratios directly at the POS for informed decisions.
